About Ajman university:

ounded in 1988 as the first private institution of higher education in the United Arab Emirates and the Gulf region, Ajman University (AU) is now being recognized as an emerging leader on the global academic map. The 2021 QS World University Rankings lists AU among the top 750 universities worldwide.

And, the latest “Top 50 Under 50” QS Rankings names AU as one of the top 150 young universities in the world. Even our distinct location in the Dubai/Sharjah/Ajman corridor is ranked by QS as the 60th best student destination on the planet.

Established in 1988 as the first private university in the GCC, Ajman University (AU) also was the first university in the UAE to admit expatriate students. Our institution continues to be a pioneer for inclusion, innovation, and social impact. In 2020, Ajman University became one of the first six higher education institutions in the world to receive global accreditation from the Quality Assurance Agency (QAA), UK’s independent body and a global leader in quality assurance for higher education.

The 2023 QS World University Rankings lists AU as one of the top 651-700 universities globally, with the 4th most international students and 7th most international faculty among institutions worldwide! For employer reputation, AU is ranked 2nd best in the UAE among private universities and 3rd best among all UAE-based universities.

In 2022, Ajman University became the first University in the UAE to get overall institutional 5 QS Stars Rating along with 5 QS Stars in 8 categories.

Each of AU’s 22 undergraduate and 13 graduate programs offer academic rigor as well as hands-on experience. Our 9 colleges are focused on putting imaginations into action for the greater good. Our multinational faculty are experts in their fields, with ever-increasing research capacity. Over the last two years, six AU programs have earned prestigious international accreditations. In addition to conferring valuable degrees that lead to meaningful careers, we believe our role is to foster every student’s innate sense of curiosity and to inspire lifelong learning. Our global network of 38,000+ alumni is inventing the future right now.

AU is a global university in a local community with constant mobility! Our diverse and inclusive cohort of students and faculty travel across the UAE – and around the world – to learn, teach, and make a positive impact.

What sets us apart from other institutions is this unique culture of innovation *and* compassion. We make a difference with our hearts as well as our minds.

Our motto is “Make it Happen” and we deliver on that message every day!
