Al Ain University Careers

About Al Ain University:

Al Ain University (AAU) is licensed by the UAE Ministry of Higher Education and Scientific Research. AAU is a new and rapidly growing institution of higher education, which uses English as a medium of instruction. It has two campuses; one in Abu Dhabi, the capital of the UAE, and the other in Al Ain, the 'garden city' of the UAE.

Since the establishment of the university in 2005, the university's student enrolment has tripled, and now includes students from the UAE and more than other twenty nationalities. The university offers accredited Bachelor degree programs through its various colleges: College of Business Administration, College of Education, College of Engineering and Information Technology, College of Law, College of Pharmacy, and College of Communication and Media.

AAU also offers a Master's degree in Business Administration (MBA) and a Professional Diploma in Education. The university has submitted proposals for additional programs to the Ministry of Higher Education and Scientific Research. Should these programs be granted accreditation, they too will be offered by AAU

Established in 2004, Al Ain University (AAU) opened the doors to its first student cohort in 2005. Constantly innovating, AAU expanded its facilities by opening a second campus in Abu Dhabi in 2008, offering programs in Business and Law. Having begun with three colleges (Engineering, Business, Education, Humanities, and Social Sciences), the University has continued to expand its program offerings which now include 22 undergraduate programs across six colleges (Engineering, Pharmacy, Law, Education, Humanities, and Social Sciences, Business and Communication and Media), 8 Master's programs, and 1 Professional Diploma in Teaching program.

AAU is licensed to operate under the auspices of the UAE Ministry of Education (MoE). AAU continues to successfully seek international accreditation of its programs by respected educational bodies. The College of Engineering programs ("B.Sc. in Networks & Communication Engineering", "B.Sc. in Computer Engineering" and "B.Sc. in Software Engineering") are accredited by (ABET).

The "Bachelor of Science in Pharmacy" program has the distinction of being the first in UAE to be certified by (ACPE). Moreover, the "Bachelor of Law" has been accredited by (HCERES), the College of Education, Humanities & Social Sciences has granted the CAEP Accreditation to two academic programs: Postgraduate Professional Diploma in Teaching and Bachelor of Education in Special Education, the College of Business accredited by the (AACSB), and the "Bachelor of Mass Communication and Media" program has been accredited by (AQAS), respectively.
