Al Salam International Hospital Careers

About Al Salam International Hospital:

In 1982 As-Salam International Hospital opened its doors for its community to experience a new level of care becoming the referral hospital in the private health care sector in Egypt. Committed to providing international standard of medical services through a dedicated professional medical, nursing, technical, paramedical and administrative teams from Egypt, MENA Region, Philippines and other countries supported by latest technologies.

Since inception, As-Salam International Hospital has strived to be the leading provider of health care in Egypt by setting the standards in excellence of patient care and patient service with state-of-the-art facilities. Currently ASSIH is engaged in an extensive renovation project that shall be completed by September 2016 which will allow the Hospital to expand its programs to meet the community's needs and requirements.

This shall be achieved through a unique architectural design that will become an icon in health care in Egypt. In addition to our commitment to enhance our quality services to our patients, we shall increase our inpatient bed capacity to more than 350 beds, in order to serve the ever-growing demand of the community.

The ASSIH Campus shall include a new medical tower hosting the ambulatory care services thus shaping the level of care incorporating comprehensive wellness, health and medical services under one roof.
