aspen healthcare jobs

Our history in the UAE is one of innovation and industry leadership, being the first company in the UAE to be licensed by HAAD for Medical Skill Training, CME and CPD, and the first company in the UAE to receive American Nursing Credentialing Centre (ANCC) accreditation. We are the largest American Heart Association (AHA) accredited training center in the Middle East North Africa region, and we're certified and authorized as an aviation first aid training facility and licensed by the General Civil Aviation Authority (GCAA) of the UAE. aspen medical nursing jobs

As a natural progression from training healthcare professionals, Aspen Medical has grown into an integrated healthcare services provider, offering considered solutions to clients looking to outsource the challenges of identifying, recruiting and managing their clinical workforce. Our core business is to provide a sustainable, high performing, low risk solution to our clients, thus allowing them to focus on their core business. aspen surgical jobs

Founded in Australia in 2003, [Aspen Medical Group](#) is a global provider of innovative healthcare solutions. The company has a diverse range clients in government, non-government organisations (NGO) and the private sector. We are a world leader in the delivery of healthcare solutions in any setting, particularly those that are remote, challenging or under-resourced. We are the only commercial organisation in the world certified by the World Health Organization (WHO) as an Emergency Medical Team (EMT) for infectious disease outbreaks and trauma surgical operations.

Our focus on the final outcome is unique in the outsourced healthcare market anywhere around the world. We offer our clients a tailored and flexible service wherever it is needed – providing from a single paramedic to a full-spectrum solution involving a multidisciplinary team of healthcare professionals, ambulances, medical facilities, equipment, consumables, pharmacy products, procedures, mobile health and surgical solutions, technology solutions, training and advisory services and air ambulance services.

Our competitive advantage lies in superior award-winning project management and the quality of our team which is underpinned by a comprehensive and robust credentialing process.

We pride ourselves on a customer-centric approach and a 'can do' attitude.

Our vision is to be the leading global health services provider.
