About Bayara Company:

Founded in 1992, Bayara is the regional market leader in the category of nuts, dried fruits, dates, spices, as well as pulses, and has a robust presence all over the Middle East and Africa. In 2021, Bayara was acquired by Savola Group, one of the largest food conglomerates in the MENA region (www.savola.com) Bayara is people-oriented and keen on expanding its team year-on-year to widen business horizons.

In 2019, Bayara celebrated the employment of 1,000 devoted employees from diversified nationalities, as well as different expertise and backgrounds. Such differences from a diverse community help us connect better with the health and nutrition needs of people around the world.

We trust that attracting, developing, and retaining a base of employees that reflect the diversity of our consumers is essential to achieve our objectives. We also believe success and innovation hinges on relationships with diverse partners, professional organizations, and suppliers.

The world is in constant and swift change. The horizon seems wider and the future feels nearer. As a company, we have always been and are still ready to adapt, change, and embrace latest trends and newest technologies. Having an agile and proactive way of thinking is what has indeed enabled us to take giant strides of success over the years and mark our presence in a highly competitive market.

We recognize that differences in age, race, gender, nationality, or physical ability enrich our work environment and the results we yield. As such, we have partnered with the Emirates Down Syndrome Association to support People of Determination within our workforce and our community. While only a step, this partnership has been a milestone that signifies more to come.
