### About Binghatti:

Binghatti is the UAE's leading property brand. Specialized in developing properties that boast sheer architectural prowess, the company currently operates with an investment value of AED 7 Billion, spread across numerous prime areas within Dubai.

"Being a regional trendsetter, we perpetually strive to deliver a product that far exceeds the expectations of our stakeholders. Since our inception, our ultimate endeavor has revolved around

being a game-changer in the real estate space by delivering groundbreaking projects of unmatched quality within record-breaking timelines.”

“Since childhood, I was inspired by the aesthetics of automotive and aeronautic industries and dreamt of creating a brand that would redefine the real estate industry and pay architectural homage to such design philosophies. I wanted my towers to be hyper towers that evoked the emotions a car enthusiast would have when seeing their favorite supercar. Binghatti is not merely a property developer – it is undoubtedly, a brand.”

**MUHAMMAD BINGHATTI**  
CEO

“Our vertically integrated approach towards developing real estate enables us to create product that places quality and timely delivery at the forefront of our priorities. This strategy, coupled with the reliance on materials of the highest quality, and a rapid product turnover maximizes returns and value to our clients.”

**AHMED BINGHATTI**  
CFO

Our trichromatic hue palette orange, white and black reflects our organizational ethos. The orange symbolizes the tireless rise of the sun brightening up a clear white sky after a dark night. The aggressively contoured external envelopes of our towers and our hue selection are climatically respectful to the region’s geographical condition, maximizing efficiency of solar glare reduction rates.

Binghatti hyper-properties are designed specifically for those with genuine appreciation of fine architecture, giving their residents the experience of how modern and thoughtful design, combined with cutting-edge technology can make a property more than just a place you live in.
