About BMW Dubai:

With its four brands BMW, MINI, Rolls-Royce and BMW Motorrad, the BMW Group is the world's leading premium manufacturer of automobiles and motorcycles and also provides premium financial and mobility services. The BMW Group production network comprises over 30 production sites worldwide; the company has a global sales network in more than 140 countries.

In 2022, the BMW Group sold nearly 2.4 million passenger vehicles and more than 202,000

motorcycles worldwide. The profit before tax in the financial year 2021 was € 16.1 billion on revenues amounting to € 111.2 billion. As of 31 December 2021, the BMW Group had a workforce of 118,909 employees.

The success of the BMW Group has always been based on long-term thinking and responsible action. The company set the course for the future at an early stage and consistently makes sustainability and efficient resource management central to its strategic direction, from the supply chain through production to the end of the use phase of all products.

Whether in research, development, or production, an exciting working environment defined by challenges, responsibilities, and rewards awaits software developers, IT specialists, engineers, mechatronics engineers, and electrical engineers. Graduates of other disciplines, such as business administration, law, and the arts also make a valuable contribution to the company.

Diversity has been the cornerstone of our success for over 100 years and will continue to be the driving force for the next 100. Without a doubt, it is the diversity of our people, their individual passions, and their collective commitment to shaping future mobility that makes BMW such a special place to work.
