About Ceva Logistics :

1946

In Australia, Ken Thomas founded Thomas Nationwide Transport (TNT) with a single truck. Over the

next 50 years, TNT gained a worldwide reputation, particularly in the field of contract logistics.

Logistics forms the backbone of global trade and plays a vital role in all aspects of our everyday lives.

With this in mind, our ambition is to make CEVA Logistics an undisputed world leading reference in the logistics industry. By doing what we do best, **we enable businesses to grow and communities to thrive.**

Our customers' needs and strategic ambition are at the centre of all we do. In an increasingly unpredictable, changeable, complex and paradoxical world, we create value for our customers by consistently delivering exceptional end-to-end supply chain solutions that answer even their most complex needs.

As logistics experts, we understand that the right, best-fit solutions for ever-evolving supply chains are one of the key enablers to the success of our customers' business.

Building on a wealth of international expertise, local know-how and with a forward thinking attitude, we pay the utmost attention to creating strong, long-term partnerships with our customers. We stand behind our customers. We support them to meet their supply chain challenges head-on and help them to identify growth opportunities.

We look at our customers' evolving supply chain needs and seamlessly design logistics solutions that best fit their needs.

We support companies of all types and sizes across different sectors from Automotive, to Consumer & Retail, Energy, Healthcare, Industrial & Aerospace and Technology.

Gartner's Magic Quadrant evaluates global third-party logistics providers on their "completeness of vision and ability to execute," positioning them in one of four quadrants: Leaders, Visionaries, Challengers or Niche Players. According to Gartner, Leaders execute well against their current vision and are well positioned for tomorrow.

CEVA Logistics is one of 17 international companies recognized in this report and one of seven companies that Gartner positioned in the Leaders quadrant.
