Dubai Medical University Hospital Careers

**About Dubai Medical University Hospital:**

Dubai Medical University Hospital provides a unique set of high-quality services and distinguished medical care. The hospital includes the laboratory department, which works on many researches that help in achieving the highest standards of medical quality, where we made sure to select a distinguished work team that has the expertise to play its role in professionalism.

Dubai Medical University Hospital , affiliated to Saeed Bin Ahmed Al Lootah & Sons Group, is a multi-specialty hospital located in Muhaisnah 1 in Dubai, United Arab Emirates.

Dubai Medical University Hospital has the best and most modern amenities in addition to the standards of world-class medical services. The hospital provides patients in the region with the best health services and is the unique care model that distinguishes it, in order to reduce their need to travel abroad in search of treatment.

Dubai Medical University Hospital has 1 medical staff across 1 specialties. Dubai Medical University Hospital (DMUH) is affiliated to Saeed Bin Ahmed Al Lootah & Sons Group. It is a multi-specialty hospital located in Muhaisnah 1 in Dubai, United Arab Emirates. DMUH is a 100 + bed, physician-led medical facility which provides for the healthcare needs of the whole family. It provides patient-centric, high-quality, non-acute, complex and critical health care services delivered in compliance with global accreditation and international best standards.

More than 40 medical and surgical specialties are represented at DMUH. They offer patients local access to world-class treatment and leading medical professionals. DMUH combines state-of-the-art amenities and world-class service standards. Our experienced and internationally acclaimed physicians have access to the latest medical technology in Radiology, Laboratories, Operating Rooms, Intensive Care Unit, Coronary Care Unit and inpatient areas.

They use skillful clinical examination, up to date tests, latest innovations and advanced techniques to safely diagnose, monitor and create tailored and personalized treatment plans for their patients. They are supported by skilled multidisciplinary teams of nurses, dieticians, physiotherapists and respiratory therapist who focus on the patient's long-term recovery, help them return to good health and minimize the risk of future problems.

DMUH is more than a hospital which places the health outcomes of our patients before anything else. Our services extend beyond providing medical services as DMUH is an educational, medical research and service institution. A key part of our Corporate Social Responsibility (CSR) is to help and support the public in Dubai and surrounding areas by improving their quality of life.
