About National Hospital:

The National Hospital is an extensive multidisciplinary facility of health care services. Acknowledged as a leading training and medical center in Lahore, The National Hospital consistently provides admirable medical services through advanced treatment approaches and state-of-the-art technology.

The team at National Hospital Lahore has a fantastic set of expertise to overcome complex diseases. The highly trained professionals utilize advanced diagnostic/medical equipment and laboratories for the assessment process, leading to an accurate diagnosis and, eventually, a successful treatment plan.

The National Hospital has a history and reputation of reliable services dealing with Benign, Malignant, Anti-inflammatory, Body Mass Index, Biopsy, Hypertension, Edema, Malignant and other medical illnesses.

Our Story

National Hospital and Medical Center was a dream sought out by Professor Aftab Ahmad and Professor Shahida Khawaja and inaugurated as an orthopedic center in 1993. After years of struggle, dedication, and care, this medical center became a reputable and full-fledged healthcare institute and also running a nursing college under the umbrella. The National Hospital is now a comprehensive facility equipped to cater to a wide range of medical needs.

Why People Choose Us?

The Hospital has 24/7 Emergency Services, Specialized Departments, and interdisciplinary centres that offer timely and comprehensive treatment. The National Hospital maintains its standards, ideals, and ethics by hiring the most competent and experienced Pakistan professionals. Leading Consultants of Lahore in virtually all specialties have their clinics in The National Hospital. Besides, the management ensures treatment availability of the most complex pathologies in the current medical scenario.

The National Hospital always contributes towards community betterment and welcomes the patients in the most caring and proficient manner. We realize that healthcare is a sensitive and prestigious paradigm of community services.

The Surgical Experts at The National Hospital Lahore are equipped to perform various procedures such as Appendectomy, Carotid Endarterectomy, Cesarean section, and Coronary artery bypass. There are highly advanced OTs for surgical services known as Hemorrhoidectomy, Hysteroscopy, Tonsillectomy, as expected and emergency circumstances.

The National Hospital's Board of Directors ensures that every project development and enhancement activity is coherent with patient safety, quality, and health policies.

We are using a vast data reservoir to provide immensely accurate and timely diagnosis. All the Departments are optimized with modern technology, and the management remains up to date with new inventions in the medical field to optimize the healing process for our patients.
