About NFPC:

NFPC (National Food Products Company) was founded in 1971 with the establishment of a dairy production facility in the middle of the Arabian Desert in Abu Dhabi. With Milco starting its operations in the United Arab Emirates capital, we were committed from the start to two basic principles – quality and service.

In 1977, NFPC Started its own manufacturing plant for plastic cups Modern Plastic Company- MPC, a

second addition to the group, and another first for the UAE.

In 1976, a group was established to import dairy products from Europe. The operation grew quickly and a joint venture company in partnership with the Danish / Swedish co-operative Arla, was established. Arla's best-selling brands in the region are Lurpak, Three Cows and Puck. In 1981 Long-life milk and fruit juices were added to NFPC products portfolio, when we bought LACNOR, a French-owned enterprise based in Sharjah, United Arab Emirates.

In 1984 we established the UAE's first bottled water plant– and started a trend which has made the country one of the world's highest per capita consumers of bottles water, when Oasis has started its operation in the U.A.E. Oasis Pure Water introduced its PET bottle range after the 5 Gallon best selling line, in 1997 to cater to the consumers' on the go needs. A wide range of recyclable PET bottles in different sizes was offered – 100ml (cups), 300ml, 500ml, 1.5L and a 1 gallon – to accommodate various lifestyles. It expanded its portfolio in 2005 with adding Blu Sparkling Water to its products.

National Food Products Company is one of the premier food and beverage companies in the Middle East, a position we have won by responding and fulfilling our customers needs and expectations; and by looking after our employees and maintaining a high level of flexibility in our operations. We believe that no company in the UAE is better prepared to seize the opportunities & meet the challenges of the 21st century than ourselves
