### About Oracle Company:

We're a cloud technology company that provides organizations around the world with computing infrastructure and software to help them innovate, unlock efficiencies and become more effective. We also created the world's first – and only – autonomous database to help organize and secure our customers' data. Oracle Cloud Infrastructure offers higher performance, security, and cost savings.

It is designed so businesses can move workloads easily from on-premises systems to the cloud, and

between cloud and on-premises and other clouds. Oracle Cloud applications provide business leaders with modern applications that help them innovate, attain sustainable growth, and become more resilient.

The work we do is not only transforming the world of business—it's helping defend governments, and advance scientific and medical research. From nonprofits to companies of all sizes, millions of people use our tools to streamline supply chains, make HR more human, quickly pivot to a new financial plan, and connect data and people around the world.

At work, we embrace diversity, encourage personal and professional growth, and celebrate a global team of passionate people developing innovative technologies that help people and companies tackle real-world problems head-on.

Oracle is a multinational technology corporation that specializes in database management systems, cloud computing, and software development. As a leading technology company, Oracle offers its employees competitive salaries and a comprehensive benefits package.

**Salary:** Oracle offers its employees a competitive salary package, with pay rates that are in line with industry standards. The salary offered to each employee is based on their job role, experience, and performance. In addition to their base salary, employees may be eligible for bonuses and incentives based on their individual and team performance.

**Benefits:** Oracle provides its employees with a comprehensive benefits package to ensure that they are well taken care of. Some of the benefits offered by the company include:

1. **Health Insurance:** Oracle provides its employees with comprehensive health insurance coverage, which includes medical, dental, and vision coverage.
2. **Retirement Benefits:** The company offers its employees a 401(k) plan and a pension plan to help them save for retirement.
3. **Paid Time Off:** Oracle offers its employees paid time off, including vacation days, sick days, and holidays.
4. **Employee Stock Purchase Plan:** Oracle offers its employees the opportunity to purchase company stock at a discounted rate.
5. **Education and Training:** The company offers its employees the opportunity to attend training and development programs to enhance their skills and knowledge.
6. **Employee Assistance Program:** Oracle provides an employee assistance program that offers confidential support and counseling to employees and their families.

Overall, Oracle is known for providing its employees with a competitive salary and a comprehensive benefits package. The company values its employees and strives to provide a positive and supportive work environment.
