### About PIF:

Public Investment Fund (PIF) is building a world-class domestic and international investment portfolio, and is positioned to be transformed into the world's largest sovereign wealth fund.

### Background

The Public Investment Fund was originally established in 1971 to invest in commercial projects. In addition to making select investments in a range of companies and assets domestically and internationally. The Fund has contributed to the establishment of numerous Saudi Arabian companies, supporting innovation, diversification and non-oil sector development in the Kingdom.

In March 2015, the Council of Ministers issued a decree to transfer oversight of the Public Investment Fund to the Council of Economic and Development Affairs (CEDA). A new Board of Directors was appointed, chaired by His Royal Highness Crown Prince Mohammed Bin Salman Bin Abdulaziz, Chairman of CEDA.

### Vision and Objectives

The Public Investment Fund aims to be a global investment powerhouse and the world's most impactful investor, enabling the creation of new sectors and opportunities that will shape the future global economy, while driving the economic transformation of Saudi Arabia.

### Portfolio

The Public Investment Fund has a diverse portfolio made up of a significant number of investments, of which around 20 are listed on the Tadawul, the Saudi Stock Exchange. The Fund is building an investment portfolio that is diversified and risk-adjusted across sectors, geographies and assets classes. All investments are primarily based on economic and financial criteria, with a focus on achieving attractive long-term financial returns.

**With a pivotal role in realizing Vision 2030, Saudi Arabia's economic transformation program, PIF's ambitious strategy is propelling the national economy with the impact felt well beyond Saudi borders.** PIF is the engine driving the transformation of Saudi Arabia's economy. Passionate about leading local economic development, localizing cutting-edge technology and knowledge, PIF is expanding its portfolio of international assets, investing in global sectors and markets by building strategic partnerships, and launching initiatives to contribute to the goals of Vision 2030.

To be a global investment powerhouse and the world's most impactful investor, enabling the creation of new sectors and opportunities that will shape the future global economy, while driving the economic transformation of Saudi Arabia.

To actively invest over the long term to maximize sustainable returns, be the investment partner of choice for global opportunities, and enable the economic development and diversification of the Saudi economy.
