About **Seddiqi holding**:

Established in 2007, Seddiqi Holding is a family-owned and managed company with a unique, diversified portfolio of businesses and brands across numerous sectors. The business units include Ahmed Seddiqi & Sons – the longest standing and largest unit within the group, Seddiqi Properties,

Swiss Watch Services and Mizzen. Headquartered in the UAE, Seddiqi Holding is managed by three-generations of family members who are committed to delivering quality and value to customers, while fulfilling the aspirations of its stakeholders.

The Seddiqi family has maintained the vision of the late founder by building the group on integrity, loyalty and progression. These values are anchored in the group's commitment towards excellence and partner relationships.

The first Ahmed Seddiqi & Sons shop was located in Bur Dubai. As business grew, the Ahmed Seddiqi & sons retail presence expanded from a single shop in Dubai's souk to a formidable network of elegant stores.

Mr. Ahmed Qasim Seddiqi maintained his focus by offering quality Swiss watches to an array of clients, including royalty and politicians.

He furthered the company's growth through his exclusive franchise agreements with the world's leading Swiss watch companies and he safeguarded the business by keeping Ahmed Seddiqi & Sons a tight-knit family operation.

The first franchise agreement was signed with Swiss watch brand, West End Watch Co. in 1949, after which the portfolio of brands expanded to include over 90% of the world's luxury Swiss watch brands. Today, the passion for luxury watches is deeply embedded into the ethos of the Ahmed Seddiqi & Sons' family.

What started as one man's passion over 60 years ago is today an empire that brings luxury and honesty to the hearts of watch collectors all over the world.
