

## Slow Cooked Chicken & Gravy

### Description

Chicken recipes are always soothing, and they are very simple to make. With just a handful of ingredients, you can have something incredible ready at your table. And, you are just going to love the compliments. The slow-cooked chicken and gravy recipe is indeed going to win the hearts of everyone in just one bite. Every single time I cook it, the results are magnificent. It surely satisfies the craving for takeout, and you do not have to spend your time in the kitchen cooking them.

You can easily cook it in a slow cooker. Just put all the ingredients in the cooker and let it cook on its own. If you have a job and you are quite busy, then this recipe will ensure that you have something ready to serve when you come home. Just serve it with some pasta or rice, and everyone will not stop asking you about this delicious recipe.

### Ingredients

- Water 2 cups
- Chicken gravy mix 2 packets
- Cream of chicken soup mix 1 can
- Chicken breast boneless 6
- Salt and pepper to taste
- Garlic powder 1 tbsp
- Onion powder 1 tsp

### Instructions

1. Put all the ingredients in the slow cooker and mix it well. Cook on low heat for 8 hours or at medium for 4 hours. I always recommend that when you are using the slow cooker make sure to give at least 8 hours to your recipe.

2. It is ready to serve hot and fresh with any of your favorite sides. You can make some long grain rice or pasta with it.

## Notes

Make sure to check the vegetables because you do not want them to be soggy. So, if you are using any of your favorite veggies that take like 1 hour in the slow cooker, add it in the last hour.
