About Unicare Medical centre:

Founded in 1998 uniCare is an integrated healthcare provider offering a comprehensive range of healthcare services. By bringing together most of the primary health care and ancillary services that you may require, uniCare provides a coordinated and enhanced healthcare experience.

Your Health – Your Choice

Beyond our responsibility for providing clinical and curative services, we believe our role extends to empowering you to exercise more control over your health. We consider it is our duty to provide you with information that will help you make an informed choice about your healthcare.

Here at uniCare you will discover that you have a partner who will assist you to accept more responsibility and be more active in the choices you make in your health and lifestyle decisions so that you may achieve optimal health and enjoy life to its full potential.

By bringing together most of the commonly sought-after primary and specialty health care services, in an outpatient setting, uniCare provides a coordinated healthcare experience.

From a simple consultation with the family doctor to complete health evaluations or even a quick skin treatment to cosmetic dentistry, uniCare provides all of these under one roof. Healthcare packages for individuals to corporate packages, travel medicine to aviation medical checks for pilots, uniCare is a destination for varied healthcare services. Our services are supported by a world class laboratory, diagnostic and pharmacy facilities.

We understand your role in your healthcare and are there to support you in your quest to improve health and to fight illness. We want you to become an active decision maker in your healthcare. By urging you to becoming an active member of your health care team, we recognize your need to understand what you are being treated for and why.

Our physicians and staff consider it as their duty to provide you with the best advice in your choice of preventing and managing illness and provide you with information that will help you make an informed choice about your healthcare.
