Yas Clinic Group Careers

About Yas Clinic Hospital :

Our commitment toward being United Arab Emirates' first and only research driven healthcare provider makes us push the limits every day. Our core values are built around a "patient-first" approach. Each expert at Yas Clinic Group is a human care expert, going above and beyond their duty all day every day.

Because of our strong culture and values, our mission is to develop homegrown medical

breakthroughs to help in addressing our regions' health needs and contribute to the wellbeing of communities in the UAE and the world. Through our network of hospitals and exceptional team of medical professionals, we provide quality research-based healthcare to everyone. Our goal is to provide clinical excellence and patient-centric healthcare to all.

Yas Clinic Group Careers

Our focus is to develop innovative and sustainable solutions to shape the medical research spectrum. Connecting technology and human expertise to conduct complex clinical studies on some of the world's most advanced therapies, such as stem cell therapy and genetic engineering. We strive to incubate and grow local talent through our affiliation with internationally recognized institutes. Our Bone Marrow Transplant fellowship program provides higher education opportunities for local and regional medical students.
